

Ashmikha N

Aspiring Full Stack Developer

Madurai, Tamil Nadu | ashmikumar23@gmail.com | +91 63821 07794 | linkedin.com/in/ashmikha | github.com/ashmi23-git

PROFILE

Computer Science postgraduate transitioning into software development, with hands-on learning in web development and full-stack technologies. Experienced in teaching computer science at the college level, with strengths in communication, responsibility, adaptability and problem-solving. Currently focused on building practical projects and pursuing opportunities as a Full Stack Developer.

TECHNICAL SKILLS

Frontend: HTML, CSS, Bootstrap, JavaScript, jQuery

Backend: Python, Flask

Database: MySQL, MongoDB

Development: Responsive Web Design, Full-Stack Web Development

PROJECTS

HASYA — Responsive Dental Studio Website

A multi-page dental studio website designed with a calm, professional interface. Built with HTML and CSS, featuring responsive layouts, fixed navigation, treatment sections, dentist profiles, patient guidance, appointment and contact pages.

Striv Shop — Django Fitness E-commerce Web Application

A full-stack fitness shopping application developed with Django, MySQL, HTML, CSS and JavaScript. Includes product and category browsing, user registration/login, session-based cart management, checkout, order creation and order history.

WORK EXPERIENCE

Assistant Professor — Department of Computer Science, Lady Doak College, Madurai

Semester-based appointment | 2025-2026

Taught computer science subjects, supported students in understanding technical concepts, prepared learning materials and communicated complex topics clearly.
